(Continued from Page 1)
Lake County, Miss. Hattie's health was extremely bad but she modestly denies the rumors that she always seemed to "come back from the dead." These were events in her life she says, that she has to depend on others telling her how she was a little too sick to know.

It's an inspiration to see this good lady - spry and healthy - more than once come so very near to falling short of the Biblical three score years and ten and to ask her what she attributes her remarkable and almost unbelievable recovery to - and to hear her in her own words say: "The doctors and the nurses were wonderful - and everybody really was wonderful - and you know - I never gave up hope" and, as she looks heavenward she points and says "the credit goes to the 'Man-Upstairs'."

She rose at four o'clock in the morning recently to go down to the lake. She was with her close friends to spend a week fishing, relaxing and just generally taking it easy.

We're proud of you Miss Hattie and we're proud for you. It makes us feel good to know that you and those folks to whom the "Man-Upstairs" in God We Trust" means more than just a slogan on a coin.

We're humble about the little things that sometimes seem to fret us. We hope you will be to 107 and to continue to bring love and joy, faith and hope to those who are fortunate enough to pass your way.
